EXPLANATORY NOTE

The tables which follow constitute a supplement to Department of State publication 8738, *United States Chiefs of Mission, 1778-1973,* by Richardson Dougall and Mary Patricia Chapman. That publication had a cut-off date of March 31, 1973; this supplement is complete through December 31, 1974.

For the period covered by the supplement, the tables dealing with individual countries are limited to Ambassadors Extraordinary and Plenipotentiary (AE/P) who headed American Embassies abroad—the United States maintained no Legations in this period—and to persons who were nominated to be Ambassadors but who did not actually serve as such. A Chargé d'Affaires ad interim is identified in a footnote only if he (a) established or reestablished an Embassy, (b) closed an Embassy, or (c) served for at least a year when an Ambassadorship was vacant. In column 3 the symbol C (career) is used for individuals who at the time of appointment were active or retired Foreign Service officers or Foreign Service Information officers; other individuals are shown as NC (noncareer). For a fuller definition of the scope of the tables and a description of the information included, readers are referred to the introduction to *United States Chiefs of Mission, 1778-1973.* That publication is still available for purchase, at $2.70 a copy, from the United States Government Printing Office Bookstore, Department of State Building, Washington, D. C. 20520.

A list of addenda and corrigenda to the basic volume is included on pages 47 and 48.

ALPHABETICAL LIST

Note.--The information given below is not an index to the preceding tables; it is rather a supplement to the alphabetical list which appears as Appendix E in United States Chiefs of Mission, 1778-1973. In some instances the entries below are new, in which case they are complete. When points of ellipsis (...) occur, they indicate that other information given in Appendix E of the basic publication is unchanged. Asterisks identify career officers (those who, at the date of appointment, were active or retired Foreign Service officers or Foreign Service Information officers). If a position is shown in square brackets, the individual named did not actually take office in this capacity.

ADDENDA AND CORRIGENDA TO "UNITED STATES CHIEFS OF MISSION, 1778-1973"

Holders of Department of State publication 8738, United States Chiefs of Mission, 1778-1973, are requested to enter the following addenda and corrigenda in that volume, in addition to noting the new information given in the preceding tables and appendices.

Page 41 For Minister Atherton, the entry "8 July 1943[12]" should appear in column 5 rather than in column 6.

Page 55 Thomas Jefferson was recommissioned as MP to France on 12 Oct. 1787.

Page 68 Ambassador Bowdler presented credentials as AE/P to Guatemala on 19 (not 14) Oct. 1971.

Page 71 For Ambassador Thurston, the last entry in column 7 should read: "Normal relations interrupted, 15 May 1963; relations not yet resumed when Thurston left post, 26 May 1963[7]".

Page 80 For Ambassador Jernegan, the last entry in column 7 should read: "Departure requested by Govt. of Iraq, 2 June 1962", and a footnote to that entry should read: "Jernegan left post, 11 June 1962."

Page 90 Ambassador Stoltzfus presented credentials as AE/P to Kuwait on 9 (not 7) Feb. 1972.

Page 93 Minister Resident Garnet died at post, 13 Feb. 1882 (not 1881).

Page 107 Between John Adams and William Short add the following two names:

William Livingston, N.J., elected 23 June 1785 to be MP to the United Netherlands; declined appointment.
John Rutledge, S.C., elected 5 July 1785 to be MP to the United Netherlands; declined appointment.

Page 107 For Chargé Folsom add the following footnote to the date of his appointment (4 May 1850) in column 5: "The record copy of the commission is so dated, but the date is probably erroneous, as the Senate confirmed Folsom's nomination on 14 May 1850."

Page 131 Add the following footnote after footnote 16 under Romania: "James W. Gantenbein served as Chargé d'Affaires ad interim, Sept. 1950-Nov. 1952."

Page 139 John Jay's commission as MP to Spain was dated 29 (not 28) Sept. 1779.

Page 155 The 14th line in column 7 should read: "Turkey severed diplomatic relations with the U.S., 20 Apr. 1917[7]".

Page 168 The printer inadvertently dropped the final line on the page, which recorded Ambassador Lodge's second tour of duty (1965-1967) as AE/P to Viet-Nam. Information on this assignment is included in the supplemental table on Viet-Nam, ante.

Page 169 Add to footnote 2 under Western Samoa: "An earlier nomination of 28 Dec. 1970 as AE/P to Western Samoa was not acted upon by the Senate."

Page 169 The correct spelling of the first word in the last country heading is Yemen.
